SPONSORSHIP PACKET INFORMATION:

Thank you for your interest in supporting the Gilbert Marshall Memorial Scholarship. The Gilbert Marshall Memorial Scholarship Foundation is a registered 501c3 non-profit organization. Our mission: *"Gilbert Marshall Memorial Scholarship is a non-profit organization and was established in 2013 to honor a young man full of life, love and spirit who left us far too early -- Our mission is to grant scholarships to graduating seniors pursuing a college education with hope of empowering, inspiring and providing our recipients the means to become self-sufficient and contributing members of our communities"*

Our first five years have been very successful—with \$42,250 given in scholarships and \$3,750 given in grants to the high schools, we are dedicated in continuing to make this event thrive each year. Every part of the event has grown, with a 50% increase in contestants from our first two years to 100% increase in total spectators and we see no signs of slowing down. Given the feedback from contestants and spectators in the previous year we expect to see similar percentages in growth in the upcoming event. The previous years could not have been a success without support from sponsors like you.

EVENT DESCRIPTION:

The Gilbert Marshall Memorial Scholarship Fundraiser is held annually to raise funds for scholarships for graduating seniors from both Sierra High School and Minarets High School pursuing a college education.

Gilbert Marshall was the son of Patrick Marshall of Templeton and Dolores “Sister” Topping of O’Neals, California. He grew up on the Topping Ranch, located in O’Neals, and attended Spring Valley Elementary School, where his sons, Cody and Cole would later follow. Gilbert was a graduate of Sierra High School with the Class of 1988. While in school, Gilbert was an athlete and a student of Agriculture. He was an active outdoorsman, a cattleman, and a logger. He made his living running the family herd and logging in the local area mountains.

Gilbert was hard-working, fun-loving and loyal. His work ethic and love of life were shared by all around him. Gilbert lost his life in an accident while working in the very mountains that he loved. His extensive family and many friends work to preserve his memory and honor his love for a life outdoors by offering scholarship(s) to a graduating senior(s) pursuing a college education.
